MOCKMILLER ELITE BUILDERS

Building Futures. Remodeling Dreams.

Based in Miami, Florida, Mockmiller Elite Builders is your trusted partner for residential, commercial, and industrial construction projects. We proudly serve Miami-Dade County and surrounding areas with a commitment to excellence, integrity, and innovation. From ground-up builds to remodeling and retrofits, we deliver lasting value through quality craftsmanship and modern techniques.

Residential Construction & Remodeling

From elegant custom homes to functional remodels and expansions, Mockmiller Elite Builders brings your residential vision to life. Services include custom home builds, additions, kitchen & bathroom renovations, whole-home remodels, exterior upgrades, impact-rated windows & doors, and storm-resistance improvements.

Commercial Construction & Build-Outs

Whether launching a new retail space, renovating offices, or upgrading hospitality venues, we deliver functional, brand-aligned environments. Services include tenant build-outs, office renovations, retail and restaurant construction, property upgrades, and multi-tenant commercial projects.

Industrial Construction

For warehouses, distribution centers, and light manufacturing facilities, our team builds to spec. We handle structural steel, dock construction, mechanical systems, and retrofits to ensure robust, compliant, and efficient facilities.

Design-Build & Pre-Construction

We offer integrated design-build services to streamline your project and reduce costs. Services include feasibility studies, conceptual design, value engineering, permitting, and full project planning before breaking ground.

Renovation & Retrofit / Adaptive Reuse

Upgrading and updating existing buildings is a specialty. We revitalize aging or underutilized spaces with structural upgrades, modern interiors, green and energy-efficient solutions, and adaptive reuse projects.
